Thank you for your interest in utilizing The Lake House to host or cater your event. We are conveniently located on Kinder Lake, in Houston's downtown Discovery Green Park.

The Lake House offers a fast-casual concept, but does not compromise on quality. Our burgers are made from a blend of brisket, sirloin and chuck. Our turkey is premium and non-pressed. We offer Yukon Gold and sweet potato fries and don't forget a hot dog of uncompromised proportion: Kobe beef topped with a cabbage chow chow.

Come see why we set the standard for park dining perfection.

The Lake House is owned and operated by Schiller-Del Grande Restaurant Group; the same visionaries that brought you the acclaimed Cafe Annie (now RDG/BAR ANNIE), Taco Milagro, Café Express & The Grove, also at Discovery Green.
