Discovery Green is a 12-acre park created by a public/private partnership between the City of Houston and the non-profit Discovery Green Conservancy. Since the park opened in April 2008, it has welcomed more than 1 million visitors and hosted more than 800 public and private events.

The Discovery Green Conservancy works with hundreds of programming partners to present three dynamic programming seasons each year. Almost all events are FREE and open to the public. Events are funded by monies raised at Families on the Green in addition to sponsorships and contributions. Stay connected to Discovery Green online at www.discoverygreen.com
