WHAT IS DISCOVERY GREEN® TO YOU?

More than a village green, more than the average city park, Discovery Green is a 12-acre oasis in the heart of downtown. It's a place to soak up the sun with friends and family — Fido too. A place to play, explore, to grow, and to flourish. At Discovery Green you can experience Houston traditions or play with the art. It's your place to be inspired and to inspire others. The Discovery Green Conservancy exists to bring people together — and that's exactly what we're doing.

Funds for park maintenance and the programming you love, come from grants, sponsors, and generous donors just like you.

NOV 21 – JAN 4

This holiday season it's all about Houston at Discovery Green because we're partnering with H-Town Frankie of Space City Light Shows for a one-of-a-kind light display. Frankie To-ong is a Houston content creator, DJ, and light show expert whose home holiday light shows frequently go viral on social media with Houston hip-hop music, nostalgic themes, and pride. To-ong will recreate his signature style in Discovery Green using the park's Brown Promenade as his canvas. A special synchronized song portion of the display will occur on an automated schedule with animations and music playing between shows.
