WHAT IS DISCOVERY GREEN® TO YOU?

More than a village green, more than the average city park, Discovery Green is a 12-acre oasis in the heart of downtown. It's a place to soak up the sun with friends and family — Fido too. A place to play, explore, to grow, and to flourish. At Discovery Green you can experience Houston traditions or play with the art. It's your place to be inspired and to inspire others. The Discovery Green Conservancy exists to bring people together — and that's exactly what we're doing.

Funds for park maintenance and the programming you love, come from grants, sponsors, and generous donors just like you.
