A Legacy of Discovery

Since 2008, Discovery Green® has transformed downtown Houston into a vibrant, beloved green space, welcoming over 3 million visitors each year for concerts, festivals, art, and family fun.

Join us for ***A Night of Discovery*** at The Grove and Wortham Gardens—a festive evening of live performances, delicious bites, and cocktails in a beautifully transformed private section of the park. Sip, savor, and explore at your own pace, all while supporting the park that keeps Houston green and alive with discovery!
